Dear Folks

How's everything back home? Things are going great over here. Received four letters today. Two of them were from Mama. Another from Mother. One of the letters from Marion was mailed last Sept 15. She was talking about me getting a furlough when I first read it I considered wonder what she was talking about.

Glad to hear that you have sent for my pictures. Hope you are not to disappointed. I am glad to hear that Dutchie Munn has gotten a discharge. He was not fit for this kind of training.

Glad to hear that Lois had a wonderful birthday party. I can see why she liked those dollar bills. Em always knew I liked them.

Guess I will close for tonight. Keep those letters coming.

Love
Dick
